CATALOGUE

HENDLER & HART

Hendler & Hart has been core to kitchens for over 133 years and specialists in kitchenware since 1892. This catalogue is designed to help you navigate your way through our highly specialised, dynamic stainless steel and aluminium brands. With a conscious investment in health, a vigilant execution in production and a quality management system that meets ISO9001 requirements, Hendler & Hart assures you of ethics and integrity at the very highest standards.

As one of the largest cookware manufacturers in South Africa, with brand names that are world renowned, you are assured of quality that is backed up by more than a century of experience.

Hendler & Hart employs over 500 people to manufacture and distribute a wide range of kitchenware products, depicted in the following brand names: Hart, Caterpride, Aloe, Pointerware and Impala. We are also a distributor of Tefal and Krups products.

Hendler & Hart Timeline

HART

The Hart range caters for all markets, and offers a number of finishes from high polish to emiered with the option of different handles. Hendler & Hart use only the best quality, A Grade 1200 Alloy which is 99.5% pure Aluminium. This offers very good corrosion resistance and workability coupled with high ductility in its soft condition, making it the ideal alloy to service the cookware market.
